

## May/June 2013

### RECREATIONAL SITES

There was a visit to the Rec Sites by Justin Dexter, Travis Mitchell, Dennis Smith, Henry Van Diemen and Doug Zorn. The site visit was to establish locations for the load/unload docks and see the general condition of the sites.

The Granby–Burrell Site (28 Mile Bridge) was looking good and the load/unload dock was agreed upon with changes to the approach of the Kiosk. The toilet is full and Justin asked that we get a quote to have it pumped as well the toilets at Blue Joint and Gable. ***In the works*** The Granby-Burrell area is used a lot as a day site and it was felt that another toilet would be needed. All agreed and Justin has found a toilet that can be used by mobility challenged folks.

Blue Joint Rec Site, the Grand Forks ATV Club staging area, will require extensive work to install parking and load/unload area. Justin is looking at how best accomplish to this.

**NB:** There will be a work party for cleaning sites: Thursday, June 13. Everyone interested meet at Granby-Burrell site at 6:00 pm.

### SAFETY CORNER

There was a safety course held on May 15 with Don Frew from ATV BC and several members attended. If there is interest in having another later this year please let us know.

### EVENTS

May 4th AGM meeting was well attended. The same executive has agreed to stay in place. David Davies was elected club director. For more information see minutes posted on our web site.

**Reverse Draw:** June 22 at the Seniors Hall is well underway. Ticket sales, newspaper articles, posters are coming. If you can help please contact [hplew@telus.net](mailto:hplew@telus.net).

**GF ATV Club Rides:** There will be rides for all club members in June. The Projects and Events committee are working towards a weekday ride and a weekend ride. So far we have:

June 6 will be a ride from Sand Creek to Stuart Creek then over Moody back to Sand Creek.

June 9 will be Williamson Lake starting at the Boundary Creek road. (meet at Overwaitea parking lot)

June 27 will be leaving from Granby Burrell (28 Mile)

June 29 will be leaving from Fife or Paulson Bypass.

All rides will be leaving at 10am; all rides are about 6-8 hours depending on stops. Please come prepared; full gas tank, rain coat, lunch, water, helmet.

If interested please contact Gary and Marnie Green 250-442-4107, e-mail [marniegreen@live.ca](mailto:marniegreen@live.ca)

Map Books and maps will be ready very soon. Members interested that were not at the May 4th meeting please contact Pat Blew to get their map book.

### APRIL MYSTERY PHOTO

Mystery photo was Renata on the Lower Arrow Lake. On May 19 a group tried to ride there and ran into two feet plus of SNOW. That ride will have to wait.
